

Chapter Eighteen (f): Changing the Admin's Email Address

Summary of Chapter:

- How to change the Administrator's Email Address on the Net/Cache/SecurePilot.

What you need:

- Knowledge of admin user account and valid password for your 'Pilot
- The Administrator's email address.

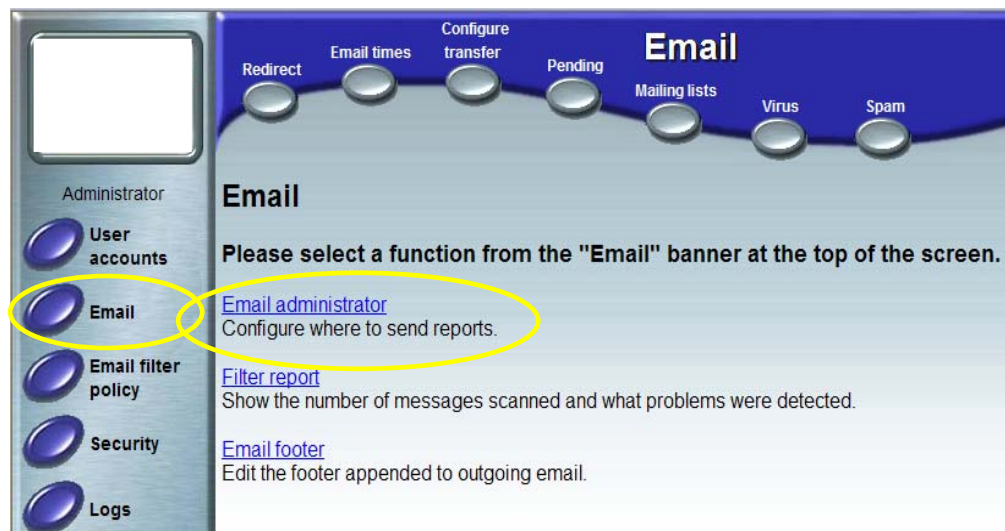

Software Revision Required:

- Applicable to software revision 4.1.4 > Net/Cache/SecurePilots

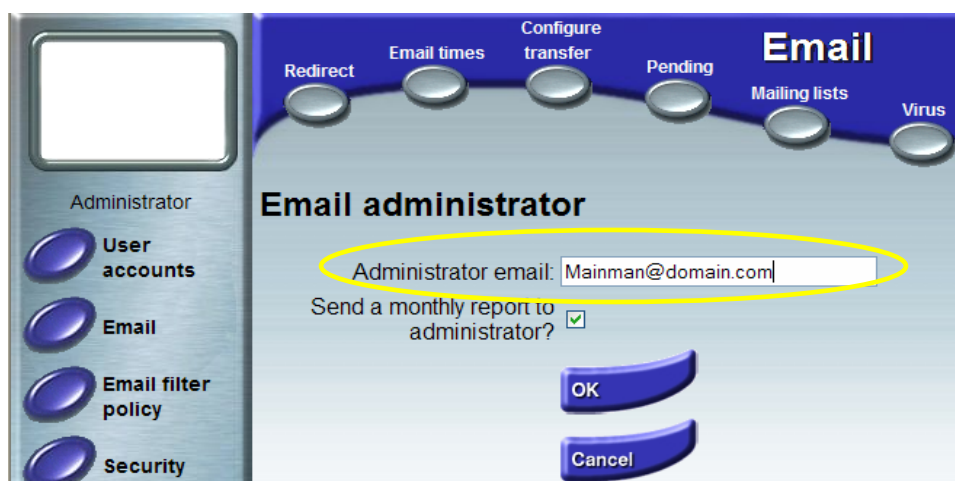

Admin's Email Address:

- Log on to the Net/Cache/SecurePilot as shown in Chapter One (b).

- Select the 'Email' button on the left-hand side of the screen and then select the 'Email administrator' link. Both buttons are highlighted below:

- You will be presented with the screen below:

- Enter the new email address for the Administrator in the text box highlighted above.

- In this screen you also can decide if a monthly report should be sent to the Administrator.

- Once you have finished with the changes, select 'OK' and 'OK' confirming your settings.
